About us

Established in the year of 2010, the Girija Consultancy Services Private Limited offers a complete range of backend support. We are a rapidly growing business house in India with significant nationwide reputation and strong base of satisfied customers. Through efficient network of Branches, Agents and Partners having a strong hold in the fast developing domestic market of India and international market, we have reputed names in our clientele – both from the domestic as well as international market.

Having a modest beginning in the year 2010 with a business of Customized Logistic (Tailor Made Courier Services) we have now spread our wings through diversified business segments ranging from Customized Logistic to Facility Management to Staffing & Training across domain.

Value for money extensive service range, Innovation through continuous R&D and Customer-Centric approach is our strength. With our extensive range of products and services, we cater to almost all the needs of our customers by being a one-stop solution provider. We take care of even the smallest requirements of our customers making it comfortable and easy for them. An extensive product range to choose from, coupled with the benefit of best technology at the most competitive price provides the best value for money to our customers. Keeping customers as the focal point, all our actions are directed towards total customer satisfaction. Customer Service to us goes beyond providing business solutions. It is all about assisting them in achieving their business goals through our best-of-breed tailor-made solutions, superior execution and responsive service.

We have a well-trained team of individuals who take pride in working together with common goals and objectives. As a team, we believe in working together, depending on one another, sharing knowledge and learning from each other's experience resulting in better products & services. With the team of relevant industry experience we facilitate our client to save on training and admin budget.

At Girija, quality is a way of life. We have the perfectly designed Quality System, Highly Qualified, Trained and Dedicated Personnel to ensure the quality which is an inherent feature in all our services. Quality is an integral part of our commitment to customer services. Our aim is to achieve zero defects and zero failure for our services. We comply with all laws and regulations of Quality, Safety and Performance requirements. We commit ourselves to implement, maintain and continuously improve our Quality Management System beyond the International Quality Standards.

We aspire, to make this world a better place to live in by continually deploying service standards which fall in line with our on-going commitment towards conserving the environment and energy. We closely blend the ethical standards of working with integrity, openness, honesty and a total commitment towards our work as our core values. We accomplish easy accessibility to all levels of management for our customers, suppliers and staff by adopting an open work environment with effective two way communication.

Girija has many ambitious plans to foray into many new promising segments in near future. With traditional values and strong ethics, Girija is focusing on new technologies and innovation to drive its business in India and offshore. We are committed to build multinational businesses that will achieve growth through excellence and innovation, balancing the interests of Shareholders, Employees and Civil Society.

Customized Logistic

From special handling of Petrochemical (Diesel) to time-critical delivery of Bank Deposits, Office Supplies and Legal Documents or distribution of Parts and Manufactured Goods, Girija Serves a variety of industries with same-day courier delivery and logistical solutions. Whether you need to deliver a large order or just an envelope, we will handle it with professionalism and precision. We are experienced in meeting rigorous demands for handling and security, such as those required in IT and Banking and we treat every run with utmost care.

We offer comprehensive services with a personal touch - *On Demand for 1 Hour, 2 Hour or 4 Hour Delivery || Scheduled/Routed Pickups and Deliveries || Out-of-Town and Exclusive Use Service || Distribution and Logistics || Warehousing || Next-Day Distribution*

We have provided on-demand and scheduled deliveries for IT, Financial Services, Office Products, Electronics, Legal, Automotive, Manufacturing and many more. The types of cargo vary greatly, but our customers have one thing in common – “They rely on us for important, time-sensitive pickup and delivery that helps them better serve their customers”.

Working closely with our customers, we understand the logistics and supply chain management of each business and know what is required to deliver service excellence. Areas where we have a significant impact on cost-effective, secure and timely deliveries include - *Bank Deposit Pickup and Delivery || IT/Electrical Equipment Pickup and Delivery || Legal/Document Messenger Service || Mail Service and Interoffice & Intra-office Courier || Office Supplies Pickup and Delivery || Parts/Manufactured Goods Distribution || Payroll Delivery || Petrochemical (Diesel) Delivery*

Girija recognizes that today’s management team is saddled with responsibilities associated with logistics. We work behind the scenes as your silent logistics partner saving your valuable time. It’s like having a full-fledged logistics department at your fingertips – Extended Logistic Team. Our team is eminently well qualified to assist customers 24 Hours a Day and 7 Days a Week in developing solutions to both the ordinary and extraordinary logistics problems encountered in today’s fast-paced business environment.

Logistics are customized to meet critical customer needs - *Cost Savings || Lead-Time Reduction || Production Upside/Downside Flexibility || Continuous Quality Improvement || On-Time Delivery*

Think about how you deliver superior service to your customers. Now think about what matters most when choosing logistics partners and same-day delivery solutions – The agility to meet changing needs; Improving schedules and costs; Drivers who are certified and industry compliant; Business continuity; Pickup and same-day Delivery; On-Time-Every-Time-whether on demand or scheduled.

At Girija, we make it our business to understand yours. In delivering for you, we become a reliable partner with the expertise, resources and processes to assure the kind of support you need for worry-free delivery and your peace of mind.
